Partnership event: Resilience in companies protects your future

RegTech Open Project plc ("**RTOP**"), the technology business specialised in the automation, management, and optimisation of regulatory compliance operations, is pleased to announce that it will be hosting an event on 17 October 2023 in partnership with Everbridge Inc., a Nasdaq-listed enterprise software company delivering organizational resilience solutions, to showcase RTOP's proprietary operational resilience focused platform, Orbit Open Platform.

The event, *Resilience in companies protects your future*, will include a range of senior fintech speakers including RTOP CEO, Ian Halliday-Pegg, Head of Product Management, Diana Ramirez Sanchez and Head of Sales Diego Fossati, in addition to Everbridge Sales Executive Michela Carloni Gammon.

Formed in December 2021, the strategic alliance enables RTOP to complete its end-to-end operational resilience framework offering; utilising a number of Everbridge's core services, including Emergency Mass Notifications, on an exclusive basis in a number of key geographies.

If investors are interested in joining the event, registration along with the full programme for the event are here: <http://bit.ly/3ZA4lpU>

Commenting on the event, Ian Halliday-Pegg, Chief Executive Officer of RTOP, said: "We are excited to be collaborating with our main strategic partner Everbridge to educate a wide range of stakeholders on the support our end-to-end SaaS solution brings to businesses globally. This event reinforces our strong partnerships but also our commitment to accelerate customer adoption across a range of verticals and geographies.
